

What Chemicals are Acceptable

Virtually all damaged or unwanted chemicals including:

Pesticides: herbicides, insecticides, fungicides, rodenticides including silvex, atrazine, 2,4-D, captan, malathion, DDT, parathion, chlordane, lindane, 2,4,5-T

Chemicals include: lead arsenate, wood preservatives, creosote, penta, lead and oil paint, solvents, wood finishes, acids, oxidizers, pool chemicals and sanitizers, engine degreasers, parts cleaners, acid washes.

Unacceptable Materials

Explosives, including detonators and blasting caps
Radioactives, including smoke alarms
Infectious and biological wastes
Freon 11 and 12
Propane tanks and cylinders
Waste oil
Latex paint

Your business or organization is fully liable if an employee or customer is harmed by waste chemicals or if waste chemicals leak into the environment.

Why expose your business or organization to unnecessary risk when there is an easy, low cost solution!

A Cheap and Convenient
way to safely and properly dispose of
business, institution and farm hazardous
waste in Waukesha County

Who Can Participate?

Active and inactive farms, businesses,
government, schools in Waukesha County.
Also co-ops, golf courses, right-of-way
applicators, aerial applicators, landscape
companies, retail stores, real estate
management companies, and others.

Farms and Farm Properties

Any operating farm or inactive farm is
eligible for free disposal for up to 500
pounds of farm chemicals. Farmers may be
required to pay for amounts over 500
pounds, depending on grant budget.

Businesses and Institutions

DATCP offers a 50% disposal subsidy for
waste pesticides only. Businesses must pay
the remaining balance. A price quote will be
provided based on the pre-registration
inventory.

How to participate - Easy as 1, 2, 3

**1. Pre-Register at least 5 business days
in advance**

For a registration form, contact Waukesha
County Recycling and Solid Waste at
262-896-8327 or visit the website
www.waukeshacounty.gov/recycling

- 2. Estimate the types and quantities
of materials for disposal and fax
inventory to the waste contractor**
- 3. Receive confirmation of drop off
location and date. Bring in materials.**

Handling Precautions

- ! Materials should be properly identified in
their original containers with original labels,
if possible.
- ! **Do not mix substances together!**
Doing so can be extremely dangerous.
- ! **Visually inspect containers** before lifting or
moving them.
- ! **Secure all lids, caps and covers** before
lifting or moving.
- ! **Never place hazardous chemicals in the
passenger compartment of vehicles.** Trans-
port in the trunk of cars or the bed of trucks.
